

app/include/sensor
_nvs.h

```
graph TD; A[app/include/sensor_nvs.h] --> B[stdint.h]; A --> C[stddef.h];
```

The diagram illustrates a header file dependency. At the top, a dark gray box contains the text 'app/include/sensor_nvs.h'. Two blue arrows originate from the bottom edge of this box. The left arrow points to a light gray box labeled 'stdint.h', and the right arrow points to another light gray box labeled 'stddef.h'. This visualizes the inclusion of these two standard C headers within the 'sensor_nvs.h' file.
